

MY TINY DANCER

BIBLICAL FOUNDATION

"So, whether you eat or drink, or whatever you do, do all to the glory of God." 1 Corinthians 10:31

OBJECTIVE:

To teach children that through their everyday actions, even in their play, they can honor God.

ACTIVITY:

List of Materials:

Strips of paper (for coloring as desired).
Base: A strip of white cardstock approximately 20 cm long (should be flexible but sturdy).
Glue (glue stick or liquid glue).
Markers: Black and pink for facial details.
Scissors.

Instructions:

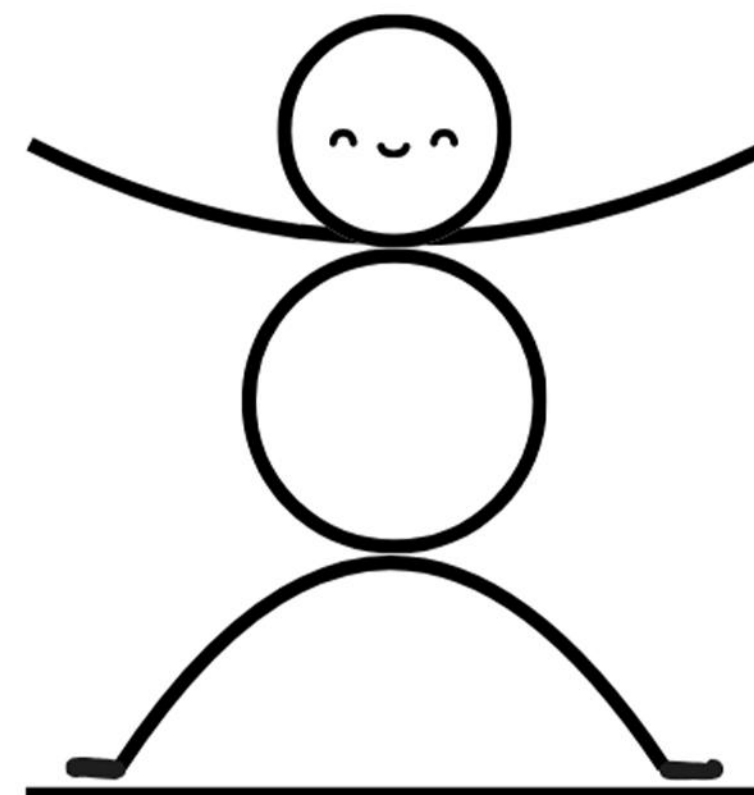

1. Cut the strips following the lines.
2. Color all the strips in your preferred colors.
3. For the base, take one strip and fold it into a "C" shape as shown.
4. Use another strip to form the body, applying glue to shape an arc. Glue it as shown.
5. For the arms, take another strip and bend it slightly upward to create a celebratory pose.
6. Before attaching the next strip, draw a face in the center.
7. Finally, to form a smaller cylinder, use the body strip to create the head and glue it above the body.

How do we make it dance?

Hold the base firmly with both hands. When you tilt the base up or down, the doll's feet come together and separate, making the body sway in a fun dancing motion.

Recommendation:

Play the song "This is How We Praise the Lord" so you can move the doll to the rhythm of the music.
